February Celebration: To celebrate the second anniversary of Adrian 2040, the Board would like the February meeting to include a celebration of the town. It has been scheduled for 6 p.m. to 8 p.m. Feb. 24 in the old gym, and will include finger foods, updates on Adrian 2040's activities, honoring locals for their service to the community, and a silent dessert auction to raise money for Adrian 2040.

Serve Day: People who have suggestions for Serve Day projects are encouraged to submit those to <https://www.surveymonkey.com/r/WCWGMLV>. More information about Serve Day may be found here: <http://www.serveday.info/>

Town Clean Up: will be held in June.

Logo and Slogan for Adrian 2040: We will gather input from the community for a logo and slogan for Adrian 2040. The request for entries will be put into the school newsletter, as well as on the Adrian 2040 Facebook page.

Website: Eric showed us the latest updates to the Adrian 2040 website. He will need community input for the calendar and news portions, as well as links to local sites and events.

School: Kevin said the school is working on the requirements for the Student Investment Account grant, which should provide an 8 or 9 percent increase to the district's budget. He handed out a survey to the meeting participants.

Meeting adjourned: 8:11 p.m.
